## PROBABLE CAUSE

On 10/13/2014 Patrol requested a response to Department of Children and Families (DCF) in reference to a Sexual Battery disclosure. Responded to DCF and spoke with D/S Sampson and Child Protection Investigator (CPI) Shelly Stroud. CPI Stroud advised that DCF sheltered two juveniles ages 10 and 17 from Bernard and Barbara Haake of Skunkie Acres. CPI Stroud advised that (17 years old) advised she has been sexually battered by Bernard and physically battered by Bernard, Barbara, and Megan with a dog collar. CPI Stroud also advised that Tabitha advised she has witnessed (age 10) her younger brother receive a beating with a water hose. When Barbara, Megan, and Bernard were explained that they were placed into protective custody and sheltered by DCF they became very angry and uncooperative issuing many verbal threats and Bernard yelled for D/S Sampson to shoot him. D/S Sampson was calm and politely asked the Haake's to remove themselves from the property. D/S Sampson did not make any aggressive movements nor did he have his gun out of his issued holster to warrant such a statement from Bernard. D/S Sampson stood his ground maintaining control of the situation and allowed the Haake's a brief moment to vent from emotion as they yelled obscenities, before politely and assertively asking them to leave. The Haake's then left. While the Haake's were at the DCF office protesting, a DCF investigator CPI Kudjala was attempting to pick up the 10 year old at the residence on Lake Jeffrey Road. Another family member Samantha Haake removed the child from CPI Kudjala's vehicle and shut the door on CPI Kudjala's arm. DCF will be filing a complaint upon medical evaluation on Tuesday for battery. An emergency Child Protection Team (CPT) interview was conducted through Chances for Children.

Loralne Fair of CPT interviewed and independently. advised Loralne that she calls Bernard Haake her dad or father and that her biological father (Wilhelm Haake) she calls by his first name of Wil. calls Barbara Haake mom or refers to her as her mother and she calls her biological mother (Beth Haake) by her first name Beth. advised that about a year ago this month she was feeling ill and she laid down in the bed with her father (meaning Bernard Haake) at night time while her sister Megan was in the bathroom taking a shower. said that she was lying with her back to her father when he placed his hand over her side, up her shirt, inside her bra and rubbed her breasts. said he was rubbing both of her breasts skin to skin with one of his hands for about five minutes. said she told him to stop, got out of the bed, and was upset. She said the next day she confronted Bernard and told him that she was mad at him for touching her breasts. She said that he became angry and Megan also. She said Megan started yelling and cursing at her and Bernard said "he was sorry and that he was just experimenting." She said Bernard also stated to her, "If I want to put my hand in your F-ing shirt, then I will."

said that tension grew among her, Bernard, and the others. began to pull away from the others. She was told by Bernard that her German Sheppard bit a skunk so he was going to get rid of him. During this time there were several dogs that became sick and they believe it was from poisoning. tried to hide her dog in her bedroom with her to protect it from Bernard and Megan. Bernard told Megan to grab a belt so she grabbed a rhinestone dog collar that was nearby. Megan and Barbara went into the room and were shoving and hitting her with the dog collar. Then Barbara went out and Megan held her down while Bernard began to hit her with the dog collar. Bernard was hitting her on her legs and back. Once Megan and Bernard left the room Barbara came back inside a few times and was hitting said she had bruises on arms, legs, and a cut on her face. took photos of her injuries with her tablet, but Bernard made her return the tablet to Wil and Beth. Further investigation revealed Wil and Beth returned the tablet to Wal-Mart. also advised in her interview that was "beat" with a water hose by Megan, and that she was "allowed to." She said that when would get mouthy with Megan she would pick up the water hose and "smack" him with it. She would smack him on the legs and butt with the hose. said she has seen red marks but no bruises and he didn't have to go to the doctor or anything.

advised during her interview that while living with Bernard, Barbara, and Megan they routinely curse at her and call her a "fucking bitch". She said that most everyone at the home yell and curse at one another. She said that when they moved to the property on Lake Jeffrey they were all sleeping in a small RV. The food that is available for the children to eat, are from the donations of expired and discarded food from Wal-Mart. Bernard gave all of his "girls" promise rings, and he refers to Samantha, Megan, and Barbara as "his four wives". said that Bernard is not as attached to Samantha and does not get as mad if she takes off her promise ring as when or Megan does. She said that Bernard calls "his favorite" unless Megan is around then he refers to Megan as "his favorite." said that she believes that if she has to return to Bernard and Barbara that she would get physically hurt by them.

advised in his interview that in the RV where he sleeps Bernard, and Megan sleep in the back in the same bed, Barbara sleeps on the floor by the bed, Samantha sleeps on the couch that turns into a bed, sleeps on the bed above the front dash, and sleeps on the dash board by the steering wheel. was nervous and hesitant on discussing any other facts about his home life.

An e-mail was sent to all of patrol for situational awareness due to the violent outburst, verbal threats of retaliation, and information from a victim that Bernard, Barbara, and Megan Haake all carry firearms on their persons and all have advised the victim that suicides would occur if a disclosure was made or any of them went to jail for any reason. Bernard, Barbara, and Megan all blame Wil and Beth Haake for the current events. Bernard, Barbara, and Megan have not been informed of any of the investigative details, or disclosures.

On 10/14/2014 I received information from Barbara Haake that had an email account and HeyWire account that she was using to communicate with her boyfriend Kyle Skinner. Barbara also provided an e-mail of e-mail.

On 10/16/2014 I interviewed Kyle at CCSO in the presence of his attorney/friend Joe Joyce. Kyle advised that he began working for Bernard Haake around the first of September. Kyle said he became acquainted with Skunkle Acres and the Haake's by stopping and speaking to them when he saw their sign on Lake Jeffrey. Kyle said he spoke with Bernard who invited Kyle to come and work for them. Kyle said he understood their situation being in between places but to pay him what they could afford. Kyle said he worked for about 3-4 weeks without any pay so he stopped going. He continued that while working with them he noticed many things about the family that appeared odd to him. Kyle referred to Bernard as "Bl Polar". He said that Bernard would get mad and begin yelling and acting aggressive and violent. Kyle did not see Bernard physically hit anyone but describes his behavior as abusive. Upon clarification he describes it as a mental control over the other people in the family. Kyle called Megan the "enforcer" several times during the interview. Kyle continued that Bernard would tell Megan to "handle it", or to "take care of things" whether he was referring to chores around the property or issues with other family members. Kyle was asked to interview [redacted] and Samantha before the County Commissioner meeting on their story and testimony against their birth parents Wil and Beth. Kyle said that he began to notice that [redacted] was becoming removed from the rest of the family and was secluding herself. Kyle said he and [redacted] became close and that she began to confide in him and tell him things. Kyle showed me a text message from Tabitha where she stated that Bernard touched her breast when she was 16 y/o but it hasn't happened since, and to not be mad. Kyle said he heard Bernard tell Megan, Samantha, and [redacted] that they are all "his girls" and that he is married to them all. Kyle continued that all of the girls have "promise rings" that were given to them by Bernard. Kyle also said that he was taught to feed the animals at Skunkle Acres as a part of his work responsibilities. Kyle was taught by Megan to feed the horses and other animals the scrap produce they receive from Wal-Mart. He said that they do not cook or sanitize any of the produce or food products they feed to the animals. He also said that the donated produce they receive from Wal-Mart is what they also eat and feed their children. Kyle was offered food at Skunkle Acres, but he refused. Bernard did however donate some frozen foods to Huntsville Baptist Church on several occasions, which is the church where Kyle's grandfather is a pastor. He said most of the donated frozen food was no good and could not be distributed. Kyle completed a sworn written statement.

On 10/23/2014 I conducted an interview at CCSO with Beth Haake. Beth advised she ran away from her parents when she was a teen approximately 13 years of age. She said she wanted to be with Wilhelm (Wil) so Bernard assisted in hiding her from her parents for over a year. She and Wil were discovered and Bernard worked a deal with Beth's parents to allow Beth and Wil to get married. She said they got married in Alabama. She said she worked for Bernard at home and the carnival since she was 13 and ran away. Beth said she has witnessed violence between Bernard and Barbra when Bernard shoved a ladder that Barbra was on and she fell and got hurt. Beth continued that if Bernard was mad at a person in the family than everyone in the family gets mad at you. She said that through the years of working for Bernard even as an adult Bernard took their earnings and would purchase for them what he thought they needed such as clothes, shoes, etc. Beth said she was manipulated to be under Bernard's control and supervision same as the rest of the family since she was a teen. Bernard would make advances on Beth which started when she was about 16 years old. He would pat or grab her on the butt, grab and pinch her breasts, and also try place his hand on her upper inner thigh. Beth said the advances became more aggressive and that he would try to manipulate her by saying she was killing her by not allowing his advances, or that she doesn't love him or he would allow his advances.

Beth said that during discipline Bernard would encourage everyone in the family to get involved. She said there were times when Bernard was mad at Wil and he had Barbra, Megan and others "beat" Wil up. She said that she was made to help. Beth was also held inside the motorhome against her will when she would try to leave from time to time. If Bernard wanted someone in the family to participate in the violence against another member refused, that person would then be the next recipient of the violence. If Bernard was mad at one member all the other members were encouraged to be mad at them for crossing Bernard also. She continued that she and Wil relinquished custody of their kids to Bernard because he convinced them that it was in the children's best interest and they could receive medical benefits through his social security if he adopted them. She said that at the time they did not realize that he wanted to have custody of the children to receive additional money from social security for monetary gain. Even though Bernard had custody of the kids Beth and Wil were still living with Bernard in the same house or on the same property and that they still maintained physical custody of the kids. Beth stated several times that even though she gave birth to her own kids that she was afraid to go against Bernard's wishes due to the fear of physical violence and control he had over her. She elaborated that she was not even allowed to name her own children that they were all named by Bernard. Beth recalled the incident when [redacted] was battered with the dog collar when [redacted] was 16. Beth said that she was in the house sitting at the desk when Bernard accused [redacted] dog of biting a skunk and was yelling saying he was gonna take it outside and shoot it in the head. Tabitha became upset and grabbed the dog from Megan who was holding it by the collar. [redacted] took the dog to her room. Beth heard Bernard tell Megan "go beat her ass with a belt!" She said that she saw Megan grab a dog collar by the strap end opposite of the buckle and go into Tabitha's room. She heard Megan hit Tabitha with the collar and she stood up to go help [redacted]. When she stood up Bernard was in her face yelling telling her to sit down and "don't move" as he pushed her down back into the chair by her shoulder. After Megan came out she saw Barbra, Megan, and Bernard all go into [redacted] room and she heard the slapping of the collar and the rustling around like [redacted] was being held down. Beth said she then got up and ran to her house. Beth later reported the incident, to which [redacted] denied at the time.

On 12/19/2014 I was contacted by DCF to inform me that [redacted] was placed with Lynne and Tom Sutton in Hamilton County, and that on the night or early morning of 12/18-12/19 [redacted] ran away taking one of her dogs with her. Tom and Lynne notified DCF and called Hamilton County Sheriff's Office to report her as a runaway. Being familiar with [redacted] the Sutton's, and the Haake's I responded to the Sutton's residence to assist Hamilton County. Tom and Lynne said they believe that Bernard or Wilhelm possibly have involvement in [redacted] running away. [redacted] had a cell phone when she arrived at the Sutton's however they said they never saw her use it but didn't know it could still be used for texting. Lynne told me that if she would have known that [redacted] could use their WIFI to text people for free without cell service, she would have locked it or taken her phone. It is unknown how Lynne knew [redacted] Modus Operandi (MO) of communication on cellular devices. Tom and Lynne advised they never heard [redacted] leave the residence. Hamilton County SO case number CCSO14000907.

I then responded to Wil and Beth's residence. I spoke with Beth and inquired about the dog's that [redacted] had with her when she initially ran away and was taken to DCF. Beth advised that "BJ", [redacted] DCF caseworker picked the dogs up and took them to her where she was placed. Beth spoke to me in front of her house and left the door opened while we spoke. Beth did not appear to know about [redacted] running away at that time.

Later I was called by Wilhelm, who said that he received a call from BJ with DCF and that [redacted] had run away. Wil said he thinks [redacted] is with her boyfriend or Bernard. Wil advised that when he and Beth were younger and Beth ran away from her parents Bernard hid her until she was old enough to get married to Wil. He continued that Bernard would take [redacted] and probably her boyfriend to a motel near where Bernard will be and keep them hidden. He said Bernard will go and take them food and tell them to stay inside with the blinds pulled shut until the heat dies down.

I attempted to locate Kyle Skinner [redacted] boyfriend at his residence where he co-resides with his brother Michael Skinner and his grandfather James Steele. Michael came out of the residence and met me in the yard. I asked Michael if I could speak with Kyle. Michael hesitantly said "he's not here". I asked if he knew when he would be back. Michael said "He's been gone since last Tuesday, referring to 12/16/2014. Michael said he and his grandfather returned home to find Kyle gone. He said Kyle didn't leave a note or tell them he was going anywhere. Michael said they haven't heard from him. Michael was very hesitant in answering my questions, and he continually turned to look over his shoulder at the residence while we were speaking. I asked Michael if he had a phone number that I might be able to call to speak with Kyle. Michael advised Kyle's phone has been turned off.

I later received a call from Barbie Haake, whom advised that [redacted] told her if she was placed in a foster home she was told by Bernard and Barbara to run away and to get word to them and they would pick her up. Barbie was very upset and concerned about [redacted] wellbeing. Barbie believes that Bernard would take [redacted] out of state in an RV or possibly hide her and her boyfriend.

Wilhelm made contact with me advising since [redacted] disappearance that Bernard wants to meet with him to work out a truce in hopes to dismiss all allegations against him. Wilhelm was provided with an electronic recording device at his request to assist this investigation and possibly locate [redacted]. Bernard came to Wilhelm's residence and sat in the vehicle and spoke to Wilhelm in front of his home. Wilhelm advised he was positioned next to the drivers opened window while he had the discussion with Bernard. During the conversation Bernard admitted to touching [redacted] on the breast, and he further iterates that he was "rubbing" what he thought was her shoulder but was later revealed as her breast. Bernard advised that [redacted] talked about him touching her however he gives admissions to rubbing her breast. Bernard refers to the incident when he rubbed [redacted] breasts as an "accident".

Bernie and Barbara appear to be upset that [redacted] and Kyle are boyfriend and girlfriend. They want to pursue charges if possible. There has not been any evidence to indicate a crime has occurred yet. Barbara believes that throughout the case [redacted] has been communicating with Kyle through her e-mail and a free texting

applications such as Heywire. Due to Kyle leavin put notice to family or friends around the same time as T running away it is believed that they are possibly together. Bernard and Barbara also stated to me that they believe that [REDACTED] and Kyle have run away together.

A Be On Look Out (BOLO) was issued and disseminated for information on the location of [REDACTED] and Kyle. I continued my investigation and showed the BOLO to business and motels near the new address of Skunkie Acres in Marion County. I contacted the manager of the Orange Blossom Motel in Citra, who wished to remain anonymous. She advised that [REDACTED] stayed there for a week with Kyle in room 19 from 12/29/2014 to 1/5/15. She continued that she believes [REDACTED] dyed her hair because there was hair dye all over the sink when she went to clean it after they left. She said they were asking about monthly rates but only paid for a week in cash. A registration record and copy of Kyles ID was provided for evidence. There were no other parties seen coming or going and [REDACTED] and Kyle had no vehicle with them.

Google Maps advises that the Orange Blossom Motel, where Kyle and [REDACTED] were staying is approximately 3.8 miles from 16990 NE 30th Court, Citra, FL where Barbara advised Skunkie Acres has moved to.

This evidence leads me to believe that [REDACTED] has been communicating with her e-mail and Heywire accounts to facilitate her running away and being hidden by Kyle, Barbara, and Bernard.

Throughout this investigation Barbara, Bernard, Wil and Beth have all provided letters believed to have been written by [REDACTED] to them explaining that she is ok and will return to Skunkie Acres after she turns 18 years of age. Some of the letters are post marked with Jacksonville and others are postmarked Tallahassee.

A Warrant Affidavit was forwarded to Sao for Kyle Skinner for Interference with Child Custody. I am now requesting a warrant for Bernard Haake for Aggravated Child Abuse, and Battery.
